

Income estimate for 2019

(Tekjuáætlun 2019)

The information stated in the income estimate below will be used to calculate income-linked benefits for 2019. The final benefit entitlement for the year will be recalculated in the year 2020, when final information on the income for 2019 becomes available.

Any discrepancy between paid benefits and benefit entitlements will be settled at that time.

ID no:	Name:	
	Currency (Mynt)	Estimate of annual income in 2018 (áætlaðar árstekjur 2018)
1 Income (atvinnutekjur)
