Instructions: Application for pension from another EEA-country

Below is more information about each item that needs to be filled out when applying for pension between EEA countries:

1. Pension applied for.

Check where applicable.

2. Applicant.

It is necessary to fill in all relevant fields.

3. Deceased person.

Here you fill out information on the **deceased person**.

4. Family.

- Please specify the deceased persons marital status.
- Date of marriage or start of cohabitation.
- Name of spouse along with foreign ID number.
- Information on children under the age of 18 along with national ID numbers, Icelandic and foreign.

5. Bank account information.

It is important that the bank account information is accurate.

IBAN and SWIFT numbers of the bank account are necessary if payments are to be made between countries.

Name and address of the bank must also be filled in.

6. Foreign residence and/or work periods of the deceased person from age 16.

Foreign ID number from a previous country/countries of residence can expedite the application process along with information on the last period of residence in the country, i.e. from and to what period the residency lasted (please fill in month and year). It is also important to fill in name and address of employer/workplace (if applicable) along with information on job title.

Please specify the deceased persons last foreign address.

7. Other information or special requests that may influence the outcome of the application.

Here the applicant can write comments that can have bearing in the processing of the application.

8. Date from when pension is requested.

Here the applicant must specify the date from when the start of pension payments is requested. If this field is not filled out pension is paid out based on application date (field 9).

9. Date and signature.

Finally, it is important to fill in place and date and sign the application.
